Dear Sir,

In continuation to the meeting held at Utkal University, Bhubaneswar on 5th December 2014 for finalisation of Uniform syllabus for Under graduate courses in Science, Arts and Commerce for all the Universities of Odisha, the next has been scheduled to be held at Fakir Mohan University on 17th January 2015. The outline of the syllabus for all the three streams has been finalised (except the Commerce stream which need to be updated mentioning the minor and major subjects) and is given in the attachment. The minor I & II are as per the pass courses and major is the Honours course which may be noted to avoid confusion.

In the meeting on 17th all the Vice-Chancellors along with the Controller of examination, Chairperson- PG. Council, Director- College Development Council, other concerned officers and the Chairperson of the BOS of the subjects allotted to the concerned University are informed to participate. All the VCs (Utkal, Sambalpur, Berhampur, North Orissa, Ravenshaw) are also requested to circulate the letter to the Officers and Chairman of BOS of their University. The Principal Secretary, Additional Secretary, Joint Secretary, In-Charge of Performance Tracking Cell of Higher Education and Director, Higher Education have consented to participate in the meeting which would be like a workshop with a motto to formulate and finalise a Uniform syllabus for the UG courses in all the Universities of the state.

The meeting will be held in the Conference hall of its Nuapadhi campus, Vysva Vihar, Balasore 756020 at 11 AM. It is about 10 KM from Remuna golai on the highway of Balasore town towards Remuna-Mitrapur. The travel time from Bhubaneswar to the new campus of F.M. University will be about 3.5 hours by car/Taxi. Those who will come by train the convenient trains are Jansatabdi and Satabdi express from Bhubaneswar at 6 AM and 7.20 AM respectively and the travel time is 3 hours. From Balasore railway station the University is about 15 KM and would take about a hour by car/Taxi which we will arrange upon receiving information about the reaching time. For return these trains will leave for Bhubaneswar at 4.30 and 5.30 PM respectively. Those who will reach the day before and/or leave Balasore a day after kindly inform so that accommodation will be arranged.

Looking forward to meet you at Balasore on 17th January to work together to meet the unique objective of the Government so that the new syllabus can be implemented in our state for the benefit of students, and also to meet the UGC norms from the next academic session in June 2015.
